Dear Valued Customers

We at Classy Imports would like to sincerely thank you for your continued support over our 35 years in business.

It has truly been our pleasure to serve you.

Our top priority over the years has been our dependable customer service. We pride ourselves on timely deliveries, guaranteed, quality products at affordable prices, various payment options, friendly staff and more.

Since we started our business in 1987, we have been more than happy to have been able to waive associated delivery and shipping fees for every order as a form of our customer appreciation.

Unfortunately, as we all know, with the current inflation rates, the cost of doing business has soared.

This has left us with no other option but to implement a new fee for every order being delivered or shipped beginning July 1st, 2022. We are doing our best at keeping these fees as low as possible for each area.

The outlined fees to be implemented are as follows:

- Calgary to Red Deer and surrounding areas: \$20/delivery
- Vulcan, Lethbridge, Medicine Hat, Consort, Viking, Edmonton, Rocky Mountain House, Stettler, Rimbey and surrounding areas \$30/delivery
- Grand Prairie, Fort McMurry, Lloydminster, Saskatchewan & BC \$40/delivery
- Manitoba and Ontario \$50/delivery

We thank you for your understanding and cooperation as we transition to these new measures.

Please reach out should you have any questions.

Sincerely,

Classy Imports Inc.
